## INTRO:

//: C / C Csus4 ://

## VERSE 1:

**C**  
When You have plan and I don't understand  
**F**  
Your ways are higher than my own  
**C**  
In the wilderness, when all I have is this  
**F**  
The hope and comfort in Your Son

## PRE-CHORUS:

**F** **Am** **G**  
When You call my name again  
**F** **Am** **G**  
You call me as a friend

## CHORUS:

**F** **Am**  
You are with me, You'll never leave me  
**G**  
I'm not alone, I'm not alone  
**F** **Am**  
And I'm forgiven, I'm not forsaken  
**G**  
I'm not alone, I'm not alone  
**F** **Am**  
You're closer then a brother  
**G**  
Closer then a brother

## VERSE 2:

**C**  
And I will hope in Him, in He who has no sin  
**F/C**  
I am made clean by the blood  
**C**  
And You have paid the price, a living sacrifice  
**F**  
Oh I'm surrounded by Your love

## BRIDGE:

**C** **F**  
You call me out into desert land  
**Am** **G**  
Will You take my heart, will You take my hand  
**C** **F**  
You take my doubts and You take my shame  
**Am** **G**  
I know You've called, called me out by name
